Electrical Information Section

Please list all electrical equipment to be used during this event. Each booth will be inspected during the day and any equipment not listed must be removed from the booth or the booth will be closed. No voice amplification equipment such as bullhorns or loud speakers will be permitted. Because of limited access to power sources on the streets downtown, vendors must supply enough cord to reach the source we provide. Your UL Approved cord can be NO SMALLER THAN 3 WIRE #12 AND OF THE "U" GROUND TYPE. **Only 110v power will be available**
